

Submitter: David Wall  
On Behalf Of: Mr Oregon is concerned with SB 1543  
Committee: House Committee On Judiciary  
Measure: HB4007

Friday, [02.11.22]

I OPPOSE [HB 4007].

[HB 4007] did not give any hint on the costs of providing Public Defense.

[SB 1543] is pending and is designed to assist illegal aliens representation (at taxpayer expense) to thwart their deportation orders.

[SB 1541] is pending and is designed to confer a necessary and overdue pay raise for all of the judges.

If the Court were to request hiring more Public Defenders and as an added benefit; increase wages and enact a cleverly constructed 'student loan' forgiveness program, I look forward to the Legislation.

David S. Wall  
Mr. Oregon Concurs.
