

Submitter: Dan Farrington

On Behalf Of:

Committee: House Committee On Education

Measure: SB1521

I strongly oppose this bill SB 1521.

This bill takes away the lawful control of education out of the people hands. School boards are elected by the local community to oversee public education which is of no use if there is no way to hold superintendents accountable.

Please oppose SB1521 and protect the voice of the people to control what happens at school.
