

Submitter: Dru Holley

On Behalf Of:

Committee: House Committee On Economic Recovery and Prosperity

Measure: HB4040

My name is Dru Holley, I'm a Black director/producer from Portland. I was so thank to receive early support for my first feature film Buffalo Soldiers: Fighting On Two Fronts, from the Oregon Made Creative Foundation's program.

If it wasn't for this early support. I doubt I would have had the confidence and funding to continue.

I'm so thank for Oregon Made Creative Foundation's help.

Please continue this great work for our community.
