Measure: SB1521

I urge you to vote no on 1521. Superintendents should not have immunity from removal if parents and school board members do not feel represented. A bill such as this this is one more slippery slope into tyranny by unelected officials who are being given too much power to control, coerce and threaten the people and their children under guise of 'public safety'. The potential for abuse of that power is grave- as we've seen throughout this pandemic. Vote NO.
