Measure: SB1589

****OPPOSE**** The bill will crush the Newberg Pool boating community and small businesses by banning wake surfing outright, arbitrarily limiting all other towed sports such as tubing, waterskiing and wakeboarding to boats under 5,000 pounds and extending the Newberg Pool from Willamette Falls to the mouth of the Yamhill River! We have boating safely on this waterway for over 20 years. Lowering the weight limit to 5,000 will ban all watersports boats in current production.
