Measure: HB4131

The City of Portland has proven again and again that it will allow and encourage its police force to violate the civil rights of its people. Do not give them more power to do so.

I oppose the City of Portland's base bill in HB 4131 - weakening of restrictions on police use of tear gas & munition weapons against protestors & street medics.

I support the amendment for stronger protections submitted by civil rights advocates in HB 4131-3.
