I strongly oppose SB 1589.

The Newberg Pool is already one of the most regulated bodies of water in Oregon. Wake surfers are subject to a weight limit, required to obtain a special safety certification and only allowed in two small zones with no adjacent homes or docks.

This bill not only exacerbates safety issues, but it also fails to solve a primary issue – enforcement. The state has already struggled to enforce the extensive laws and rules we have, and the bill does not address how to deal with the worst offenders who make the river dangerous for everybody.

Subjecting only towed water sports enthusiasts to a weight limit is overtly biased. A 5,000-pound fishing boat can produce a similar wake to the same size tow boat. Furthermore a 15,000 cabin cruiser that produces a wake far greater than any wake surfing boat can still operate freely under this legislation
