

Submitter: Carlo Pearson

On Behalf Of:

Committee: House Committee On Rules

Measure: HB4131

I oppose the City of Portland's base bill in HB 4131. The weakening of restrictions on police use of tear gas & munition weapons against protestors & street medics is not going to help Oregonians. I believe we should focus on healing a community rather than policing a community with chemical weapons.

I support the amendment for stronger protections submitted by civil rights advocates in HB 4131-3.
