

Submitter: Donna Bleiler

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: SB1565

I OPPOSE SB 1565

Just table this bill and let the markets do what is best. As long as they have a sign on their door so people aren't caught unprepared, that's as much as government should get involved. You can't protect people's choice only the right to make that choice. Every time you play favorite, it impacts someone else.
