

Submitter: Kalinikea Kolmogoroff  
On Behalf Of:  
Committee: House Committee On Health Care  
Measure: SB1529

Hello,

My name is Kalinikea Kolmogoroff and I oppose SB1529A as I believe unelected members should not have the authority to declare health care emergencies, especially if it has economic consequences to the state.

Thank you,  
Kalinikea Kolmogoroff
