On Behalf Of:

Committee: House Committee On Health Care

Measure: SB1529

I am strongly opposed to SB1529.

The LAST thing this state needs is an UNELECTED state agency to declare a public health emergency. We as citizens have not been well treated under the current and ongoing, never ending state of emergency as it is. Let's NOT make it easier for another emergency to be declared in the future!

STOP GIVING YOURSELVES MORE POWER OVER THE PEOPLE WHOM YOU ARE ELECETED TO SERVE!!!

With all the energy of my soul, I say NO MORE!
