

Submitter: Ana Johns  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HB4131

I have been impacted by the use of chemical and “less lethal” weapons used by PPB and I cannot fathom a society that values human life would advocate for the use of these agents.

With the knowledge that so many others will submit incredible testimony in opposition of this bill, I'll remain brief. Listen to them. Act with a conscience. Vote no.
