On Behalf Of: Mr Oregon Opposes HJR 205
Committee: House Committee On Rules
Measure: HJR205

Tuesday, [02.22.22]

I OPPOSE [HJR 205].

The State of Oregon's legislature is renown for its' piss-poor handling of taxpayer's money.

I just can't imagine how bad the Legislature could be with its' own Bank.

David S. Wall

Mr. Oregon Concur-Don't forget all of the confidential information the State would have on the 'State Banks Depositors'.
