Committee: House Committee On Environment and Natural Resources

Measure: SB1589

I am a Newberg Resident and avid boater. Rodgers Landing is where I put my boat in and take out exclusively on the upper Willamette.

The rules that have been put in place, I believe, are to appease homeowners while simultaneously putting boating families in danger. Navigating the segregated waters on a busy day is extremely dangerous. Forcing not only the wake sport boats in to one area creates unsafe conditions for those boaters but also those boats passing through the area either going upriver or downriver.

Let's focus on enforcement and allocating resources to that function.

Seriously frustrated boater.
