Measure: SB1589

This is a massive part of our local economy and an enormous allure to Portland in general. Banning Boats over 5,000 pounds will drive tax paying citizens away from our city and ultimately not only hurt the river, but our city, and our wallets. We need to do all we can to retain the citizens in our area whom work hard, contribute to our local society, and enjoy the beauty/recreation that it has to offer. Please do not let this legislation be pushed through. Thank you!
