

Submitter: Jeff Southwick

On Behalf Of:

Committee: House Committee On Environment and Natural Resources

Measure: SB1589

With consideration for the importance of reducing the erosive damage to shoreline nurseries by human activity, I think SB 1589 is good as originally written, and there is no need to dilute the legislation by adding Amendments -7, -10, -11, -12, -13, -14.

Thank you,

Jeff
