On Behalf Of:

Committee: Joint Committee On Farm Worker Overtime

Measure: HB4002

My name is Duane Ditchen and I have many concerns about how this bill will affect us as an employer and our employees. I can not just start to raise my prices that will need to be done if this passes due to excessive wage increases. I will have to cut hours down on my employees and that will affect there yearly income. But if I cant do that I will have drop current wages and that will trigger most employees to look elsewhere. So this does not only hurt the farmer it hurts the employees in this field of work.

Sincerely,

Duane Ditchen
