Committee: Joint Committee On Farm Worker Overtime

Measure: HB4002

Hello, My name is Adrian Ogo. I'm a young adult from Marion county born and raised in the states and I'm writing this now to address the issue of farmworker overtime pay. Farmers work day in day out regardless of conditions, they're the backbone of the food system and are under compensated essential workers. Passing this bill for farmworkers and overtime pay will help the farmers and make the agriculture industry more competitive in Oregon. This will encourage farmers to come to OR and give equality, respect and safety when working. Please give farmers in OR overtime pay as soon as possible please.

Sincerely,

Adrian Ogo
