

Submitter: Wendy Rankin

On Behalf Of:

Committee: Joint Committee On Farm Worker Overtime

Measure: HB4002

The men and women who work in the agricultural sector in our Oregon fields feed us. Without them we wouldn't have the produce that we enjoy.

We should not tolerate "fresh food and broken bodies".

Employers **MUST NOT** be allowed to **REQUIRE** workers to work in excess of maximum allowable hours unless the men and women workers are compensated with overtime.

No fresh food and broken bodies allowed. Not in our state. No fresh food and broken bodies in Oregon!
