On Behalf Of: Mr Oregon Supports HB 4061A
Committee: Senate Committee On Rules
Measure: HB4061

Thursday, [02.24.22]

I SUPPORT [HB 4061A].

Water Conservation should be on everyone's mind.

Illegal marijuana grows and processing using illegally obtained water should be punished.

I am concerned that the 'Driver's License information' is not required and this fact serves to shield the criminal element from detection.

Even 'Legal marijuana grow-sites' must be inspected by the Water Department (with 'No' Notice given) to ensure compliance.

David S. Wall

Mr. Oregon Concurs-Permitting the hauling of water to enable and facilitate the Marijuana Industry should be 'prohibited'.
