On Behalf Of: Mr Oregon Opposes HB 4054
Committee: Senate Committee On Finance and Revenue
Measure: HB4054

Friday, [02.25.22]

I OPPOSE [HB 4054]. "Extends historic property special assessment program for two years."

[HB 4054] and its' corresponding labyrinth of 'real market' calculations gives me a headache and I'm certain County Assessors will view [HB 4054] as a 'pain in the butt'.

[HB 4054] does not appear to address tax obligations relating to property transfers with reference to the aforementioned tax assessment schemes.

Historic Buildings should be conserved and rehabilitated but, this honorable concept has been infiltrated by the 'Woke Nazis' to re-write the Historical Buildings Rehabilitation uses to suit their supporters in lieu of 'equal treatment under the law'.

Again, Oregon needs a 'Legislative updated version to protect and rehabilitate Historic Buildings'-[HB 4054] is not acceptable.
