On Behalf Of: Mr Oregon remains Neutral on SB 5703

Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction

Measure: SB5703

Tuesday, [03.01.22]

I am NUETRAL on [SB 5703]. "Appropriates moneys from General Fund to _____ for biennial expenses."

Thank-you for all of your efforts!

I am concerned the 'Oregon School for the Blind' is absent from the allocations.

There was 'No' allocations to assist Oregon's Deaf people, especially the 'Deaf' children.

The 'Debt Service Allocation' should be increased.

David S. Wall
