Measure Description:

Appropriates moneys from General Fund to specified state agencies for biennial expenses.

Revenue Impact:

The measure has no revenue impact. The bill makes various appropriations, disappropriations, and expenditure limitations. Sections 326 to 328 make adjustments to the State School Fund that align with SB 5703A. General Fund appropriations to the State School Fund are reduced but offset by increased expenditure limitations of Lottery funds and the Fund for Student Success. Taken together, the State School Fund is unchanged for the 2021-23 biennium.
