

## JOINT INTERIM COMMITTEE ON THE INTERSTATE 5 BRIDGE

At the Hayden Island Community meeting with 200 attendees IBR Administrator, Greg Johnson, questioned my license & qualifications to criticize the IBR's Bridge.

<https://twitter.com/i/status/1678844199784030212>

MS & BS Civil Engineering, U. of Washington

MBA, U. of Washington

Professional Engineer No. 14642, Feb 1, 1974

Certified Public Accountant No. 5242, Nov 18, 1977

Experienced infrastructure in 70 countries.

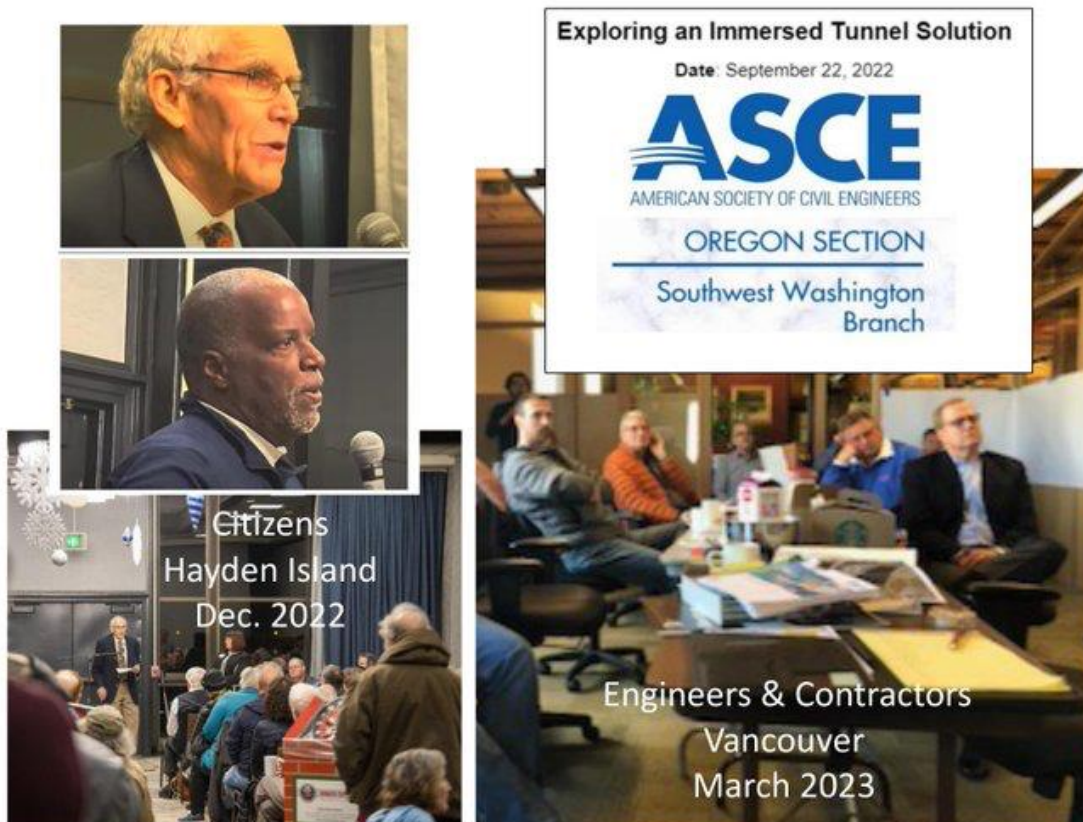

Citizens, engineers, and contractors from both Hayden Island and Vancouver support an Immersed Tunnel. Suggested viewing:
