# SB 283

PREPARED FOR: Joint Task Force on Statewide Educator Salaries

DATE: September 26, 2023

BY: Lisa Gezelter, Analyst

# General Requirements

Study the benefits and challenges of implementing a statewide salary schedule for educators in this state

# Reporting Requirements

1. A report due by December 31, 2023, outlining the benefits and challenges of a statewide salary schedule; and
2. A report due by September 15, 2024, proposing policy changes that may lead to a statewide salary schedule, including regional differences.

# Reporting Requirements

In drafting the second report, the Task Force must consider:

- whether or not regional differences should align with those in place for minimum wage;
- pay for student teachers; and
- pay for educators and classified employees who work in special education.
