Serving Members and Community

- Intercommunity Health Network Coordinated Care Organization- nearly 90,000 members in Linn, Lincoln, Benton
- Our work at the local and regional level with community partners and providers
- Statewide low frequency high intensity services

Developing a Continuum of Care

- Appreciate the Governors ask
- Creating the incentive and ability for communities to develop local systems of care
- Need the right financing and administrative structure to develop and sustain a continuum of services and supports
