Ebony Clarke, OHA Behavioral Health Director
Kristen Donheffner, Measure 110 Engagement and Strategy Manager

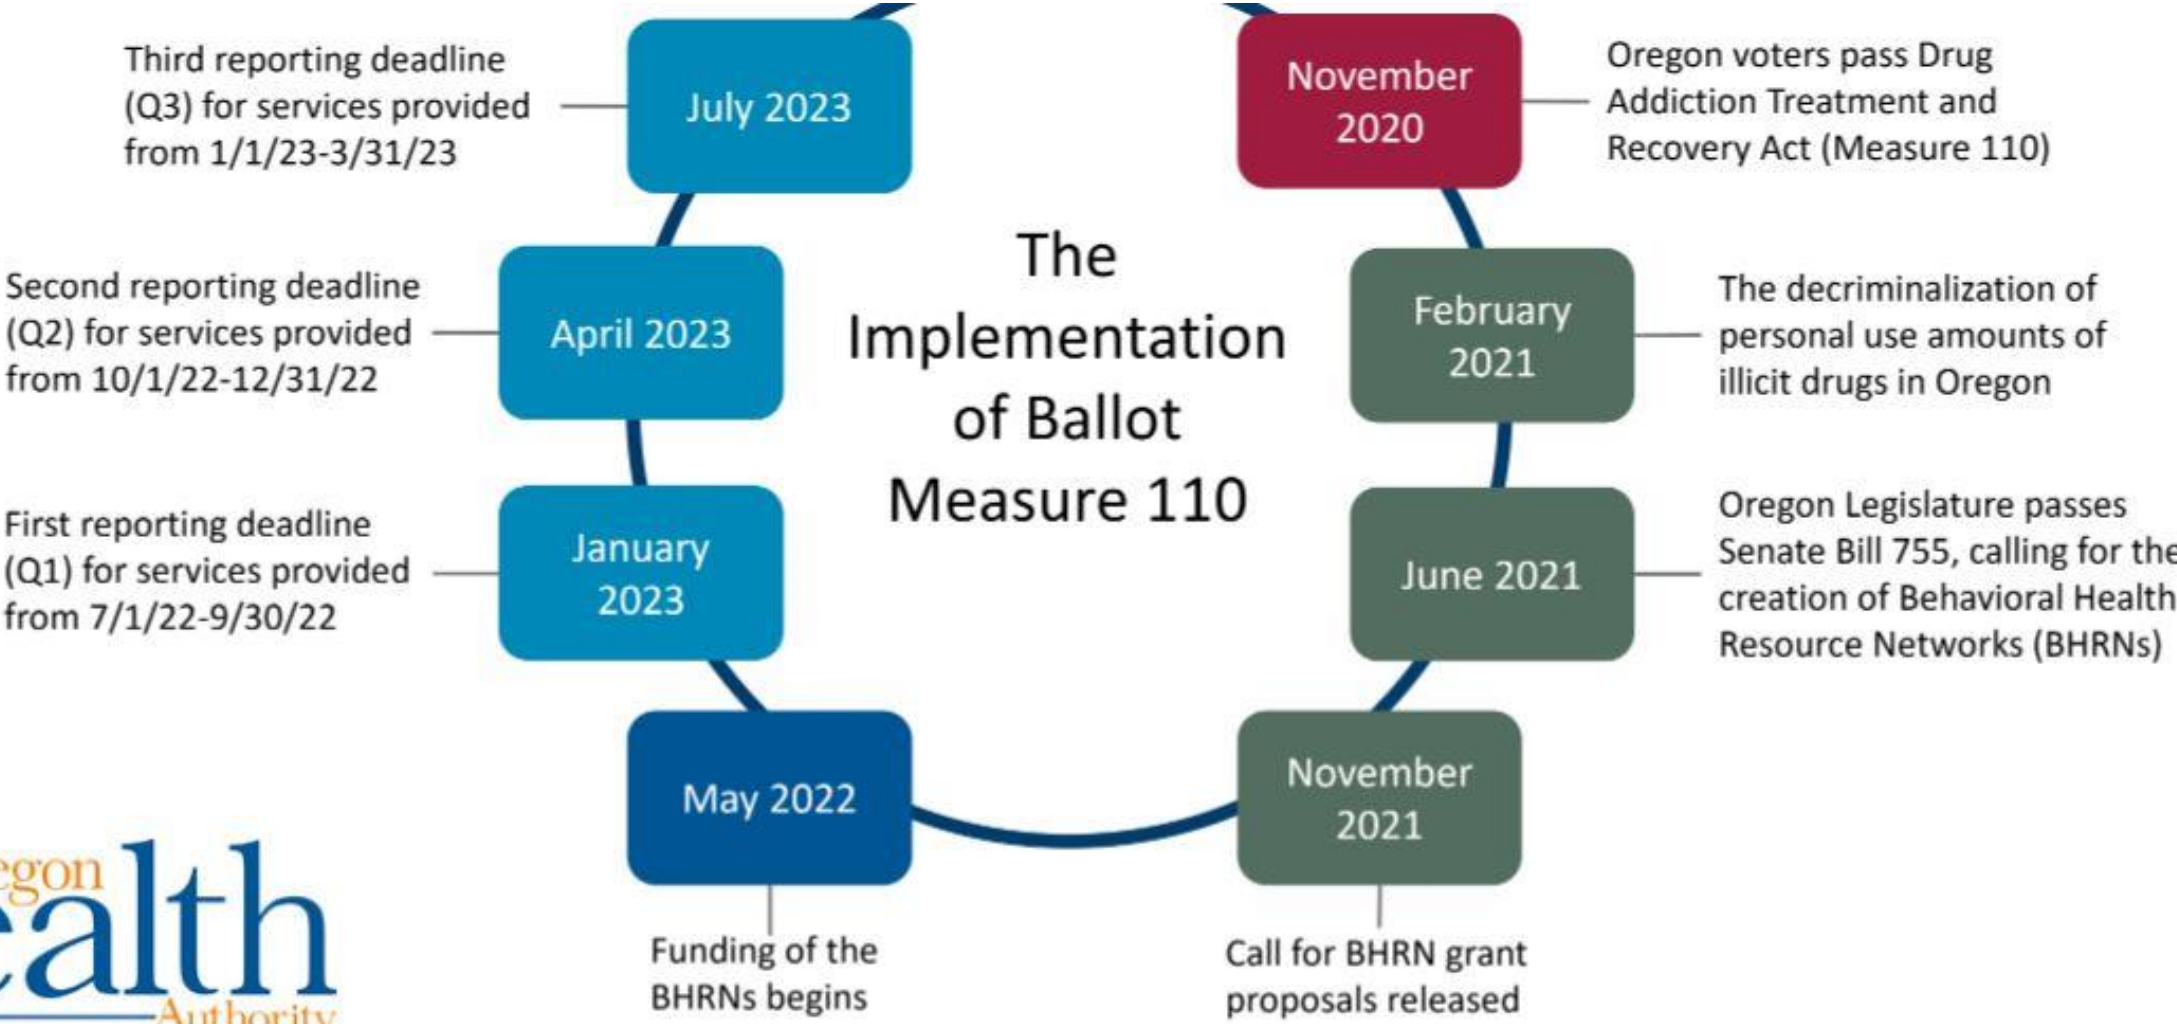

Overview of Measure 110

- Established Behavioral Health Resource Networks (BHRNs)
 - 42 BHRNs, at least one in every county
 - 230 grant agreements, including public agencies and community providers
 - 11 Tribal partners via Tribal set aside
 - Each BHRN includes partners that together cover a full spectrum of services including:
 - Screening
 - Assessments
 - Peer services
 - Harm reduction interventions
 - Low barrier substance use treatment
 - Housing
 - Employment supports
- Created the Oversight and Accountability Council (OAC)
 - 20 members with professional and lived experience related to substance use
 - Approve and oversee grants to BHRNs
- Administered by OHA

Updated by HB 2513 (2023)

- Established a Measure 110 Executive Director
- Clarified OAC member terms and quorum
- Assigned OHA responsibility to:
 - Design the next grant application, scoring, and appeals process
 - Establish a process to assess the effectiveness of BRHNs
- Pushed back the Secretary of State performance audit to December 2025
- Authorized a statewide educational campaign for BHRN services in 2025
- Directs county Community Mental Health Programs to provide guidance to BHRNs, subject to availability of funds

Measure 110 Data Dashboard

Client Engagement in BHRN Partner Services

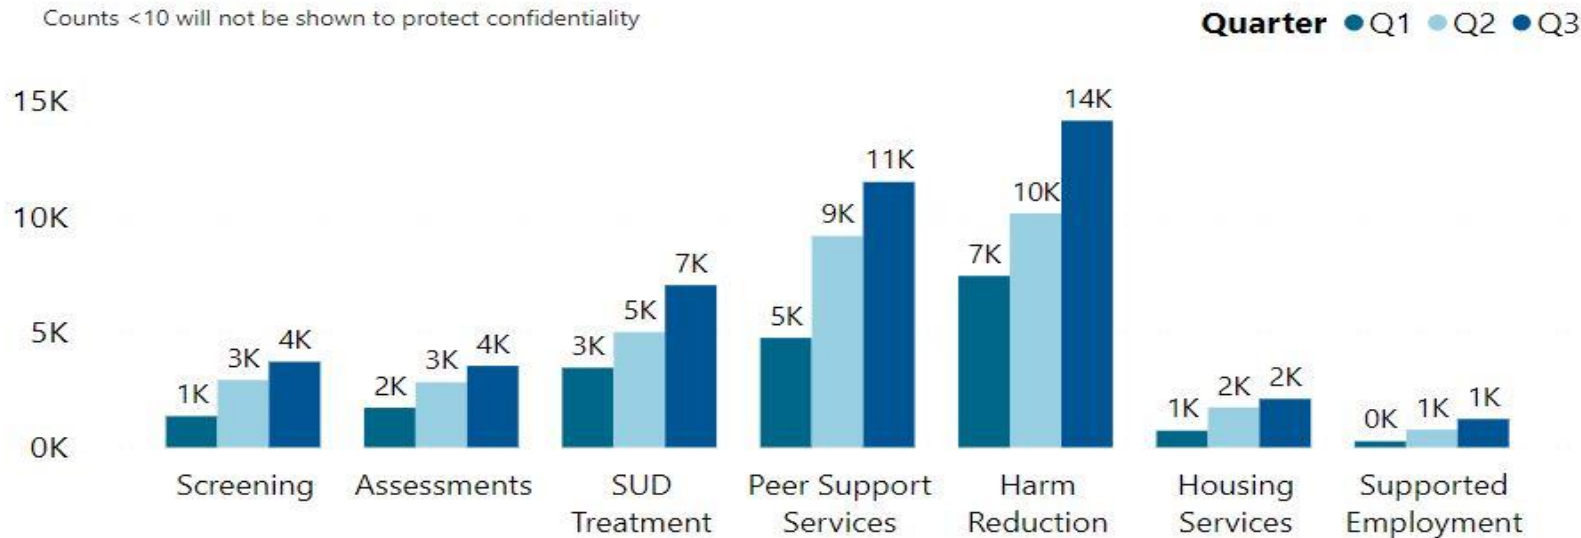

Data displayed on this page was reported by BHRN Partners during quarters 1 (7/1/22-9/30/22), 2 (10/1/22-12/31/22), and 3 (1/1/23-3/31/23) of their grants. BHRN Partners report the number of clients they serve, and the number of service encounters they have with their clients, as a measure of overall engagement. The chart below shows that statewide, the largest numbers of clients and encounters were reported in the areas of Peer Support and Harm Reduction for all quarters. Additionally, the number of clients increased statewide each quarter in all service areas. **Use the buttons below to view either the number of clients or the number of service encounters. Use the menu on the right to filter for a specific county.**

Early Numbers and What They Tell Us

- The [Measure 110 data dashboard](#) displays:
 - All BHRN partners, by county and services provided
 - Number of clients, client encounters, and expenditures, by county and service
 - Initial demographic data
 - Narrative information on successes and challenges
- The first three quarters of data show:
 - Steady increase in clients and client encounters
 - Initial emphasis on capital investment, now shifting toward service delivery
- Future data will provide:
 - REALD demographic data
 - Information to assess capacity and progress of specific service types
 - Narrative reasons for any denials of service
 - Client-level data for certain services, to track outcomes for individuals served by multiple providers

Services and Funding Amounts

BHRN Partner Expenditure Data

This page shows the expenditure data by BHRN Partners over the first three reporting periods (Q1, Q2, and Q3). The Bar chart displays the funds expended by service area each quarter and the donut chart shows the funds expended by expenditure type. The map displays percentage of allocated funds each county has spent during each quarter. Some organizations did not receive their funding until Q2; these expenditures largely reflect early infrastructure and personnel costs associated with establishing a new program. **Select a quarter to filter the map and donut chart. Select a county from the map to filter the bar chart.**

Accountability

- OHA monitors grant compliance and provides technical assistance to help organizations meet grant requirements, to ensure:
 - Required reports are submitted
 - Payments are tracked
 - Other requirements under the grant agreement are met
- OHA's M110 Team
 - Reviews all submitted reports for accuracy and works with BHRN partners if there are inconsistencies or errors to correct reports
 - M110 Team also provides technical assistance, troubleshooting, guidance to BHRN partners to understand program, grant requirements, and OAC expectations
- OAC has authority to take action in cases of significant grant noncompliance
 - To date, three grant agreements have been terminated for significant grant noncompliance

Successes and Challenges, as Reported by BHRN Partners
