

SUBCOMMITTEE RECOMMENDATION

Item 3: Public Defense Services Commission Comprehensive Remediation Plan

To: Ways and Means Full Committee
From: Public Safety Subcommittee
Carrier: Senator Sollman

The Public Safety Subcommittee recommends that the Joint Interim Committee on Ways and Means acknowledge receipt of a report on the Public Defense Services Commission's comprehensive remediation plan.

While PDSC has made preliminary efforts to complete a formal comprehensive plan, a plan has not yet been produced and adopted by the Commission. The agency has filled or is in the process of hiring management positions. PDSC anticipates having a draft plan prepared for legislative days in January of 2024. Until that time, PDSC will be working with a consulting firm on the plan.

The Public Safety Subcommittee recommends approval.
