

Everyone makes mistakes. Just because Oregon democratic leaders made the biggest mistake in Oregon history doesn't mean they can't attempt to fix it. Stopping measure 110 gives democrats a chance to prove they're not completely incompetent. Please do our beautiful state of favor and make drugs illegal again. Please don't do a half assed job and give offenders a ticket, they need incarceration! This means opening up all those jails and prisons that Kate Brown closed and locking these junkies up where they can't steal and hurt people.
