

**From:**

Jynx Houston

**Why do you want legislators to demand ODOT conduct an Environmental Impact Statement (EIS) for the proposed \$1.9 Billion Rose Quarter Freeway Expansion? Why should legislators on the Joint Special Subcommittee on Transportation Planning instead direct ODOT to prioritize investing in transportation options like repairing existing roads, improving traffic safety, and tackling climate change with transit investments?**

ABSOLUTELY NO MORE FREEWAYS. MORE TRAFFIC & CONSIDERABLY MORE HEAT IN A CITY THAT BARELY HAS LIVABLE SUMMERS ANYMORE. NO MORE DISASTROUS, IRRESPONSIBLE DECISIONS BY PBOT ET AL.
