

Measure 110 passage was a mistake. The measure should be repealed. Portland can't wait, and the rest of the state can't wait 50 years to get enough services in place for addiction treatment.

Some must-haves:

- Make possession of lethal drugs like fentanyl, heroin, and meth a misdemeanor crime again.
- Give law enforcement tools to steer addicts toward mandatory treatment and away from jail.
- Prioritize diversion programs that put drug users on the path to recovery and a clean criminal record.
- Increase penalties for drug dealing and public drug use.
- Take legislative action in February – people are dying each day under Measure 110.
