

Good morning,

I am a concerned citizen who has witnessed the downfall in our community from the fallout of Measure 110. I rarely go downtown anymore and urge my teens not to go either. There is too much unknown and it does not feel safe. This is not the Portland I know from even 5 years ago and it breaks my heart.

Please, it is time to face reality and make a change. It can't wait any longer.

Thank you,

Merry Convery
