What do you want to tell legislators about the proposed \$1.9 Billion Rose Quarter Freeway Expansion and Oregon's transportation system?

Please no expansion of the freeway in the Rose Quarter. I used to live in Portland and know the neighborhood well, tearing down the housing and businesses for asphalt is a bad idea. Freeway widening won't reduce traffic jams or improve traffic flow (induced demand). As an Oregon taxpayer please spend our tax dollars on public transit, equity, improving walking/biking, something else – Thank you
