

- Make possession of lethal drugs like fentanyl, heroin, and meth a misdemeanor crime again.
- Give law enforcement tools to steer addicts toward mandatory treatment and away from jail.
- Prioritize diversion programs that put drug users on the path to recovery and a clean criminal record.
- Increase penalties for drug dealing and public drug use.

I am sick of being accused by drugged out people. They affect everyone and everything,
Including public transit, crime rates, traffic deaths, safety at our schools and homes, just to name a few.

This was a horrible mistake, mismarketed to the public. Fix it now.
