What do you want to tell legislators about the proposed \$1.9 Billion Rose Quarter Freeway Expansion and Oregon's transportation system?

I am a 45 yr resident of Oregon and at 75 I don't have a lot of time left, but my 25 yo daughter does. ODOT's recklessly expansive 10-lane design for the Rose Quarter is a major waste of taxpayer money that also incurs a major threat to the environment.

How can you as our elected representatives in good conscience move forward with ODOT and NOT have an EIS?

VOTE for EIS and vote for protecting our future.
