

Please help us and everyone who lives in our community. We are losing our community to drugs and what we are currently doing isn't working. We only have more drugs, more drug related crime and homelessness. Open drug use and open drug selling is happening on our streets.

- Make possession of lethal drugs like fentanyl, heroin, and meth a misdemeanor crime again.
- Give law enforcement tools to steer addicts toward mandatory treatment and away from jail.
- Prioritize diversion programs that put drug users on the path to recovery and a clean criminal record.
- Increase penalties for drug dealing and public drug use.
- Take legislative action in February – people are dying each day under Measure 110.
