What do you want to tell legislators about the proposed \$1.9 Billion Rose Quarter Freeway Expansion and Oregon's transportation system?

I am writing to ask legislators to demand that ODOT conduct an EIS of the proposed freeway expansion. We do not need any more highways in our city. They add pollution, noise, and take away infrastructure for people to live in. We live in a city that prides itself on its tree cover, but this would result in more trees being removed. Please reconsider this freeway expansion for the people who live here.
