

For the sake of our city, our citizens and especially those feeling the pain of drug addiction, an immediate change is needed to our laws and the support services. I ask you please:

- Give law enforcement tools to steer addicts toward mandatory treatment and away from jail.
- Prioritize diversion programs that put drug users on the path to recovery and a clean criminal record.
- Increase penalties for drug dealing
- Take legislative action in February – people are dying each day under Measure 110.
