

Our city is out of control and becoming an undesirable place to be. I've been here for 5 generations and have never seen it so depressing. 110 does not work.

Please please please take leadership of our city. 110 needs to go away. At least do this:

- Make possession of lethal drugs like fentanyl, heroin, and meth a misdemeanor crime again.
- Give law enforcement tools to steer addicts toward mandatory treatment and away from jail.
- Prioritize diversion programs that put drug users on the path to recovery and a clean criminal record.
- Increase penalties for drug dealing and public drug use.
- Take legislative action in February – people are dying each day under Measure 110.
