

Look, Oregon taxpayers were duped with respect to M110.
I'm a 5th generation Oregonian and actively looking to move out of Oregon because of M110.
It brought "tourist" drug addicts here to Oregon and mostly Portland for a free ride & major crime sprees to fund their habit. Our social services are stretched to accommodate these junkies.
I am personally tired of the junkies relieving themselves everywhere while citizens must obey the rules.
The illegal tent & rv camping must also stop.
Why are 2 different laws being applied with citizens held to higher compliance? Make possession of lethal drugs like fentanyl, heroin, and meth a misdemeanor crime again. Give law enforcement tools to steer addicts toward mandatory treatment and away from jail. Prioritize diversion programs that put drug users on the path to recovery and a clean criminal record.
Increase penalties for drug dealing and public drug use.

•Take legislative action in February – people are dying each day under Measure 110.
