

To whom it may concern:

I am writing to request that lawmakers repeal Measure 110. While I must admit that I voted FOR measure 110 in November 2020, I have seen and personally encountered how this measure has made a negative impact on this city.

The drug and mental health crisis has in fact worsened over time, not improved, despite the measure being passed 3 years ago. We decriminalized drugs however have not provided the necessary and appropriate treatment options. The request is as follows:

- Make possession of lethal drugs like fentanyl, heroin, and meth a misdemeanor crime again.
- Give law enforcement tools to steer addicts toward mandatory treatment and away from jail.
- Prioritize diversion programs that put drug users on the path to recovery and a clean criminal record.
- Increase penalties for drug dealing and public drug use.

Thanks so much
