

To: Joint Interim Committee on Addiction and Community Safety Reponse,

**PLEASE PLEASE PLEASE REPEAL Measure 110!**

The voters were sold a bill of goods that has lead to massive drug addiction, homelessness, crime, filthy tent camps riddled with now legal drugs (fentanyl), mental health issues, and so much more! Oregonians deserve better!

Repeal Measure 110 and give Oregon a chance to recover.

Sincerely from a very concerned Oregonian,  
Jen Hamaker
