

Fix or repeal BM 110 and make possession of lethal drugs a crime again, give law enforcement the tools to steer more people into treatment and make drug treatment and recovery a mandatory vs. voluntary alternative to jail.

BM is a failed experiment and the ideology behind it is wrong. It is making Portland's problems worse.

I feel like I have one foot in Vancouver and one in Portland because it is my hometown. I am less and less inclined to spend time and money in my once beautiful city, but I don't feel safe there. I rarely come over and NEVER go downtown or near Lloyd Center. I have friends that own restaurants, but I don't feel safe day or night.
