In as Simple of Terms as Possible: Stop the Nonsense of a Failed Experiment - BM 110!

One of us voted against BM 110, one of voted for BM 110. Today, after seeing what the ballot measure 110 has done, which is to desecrate Portland in a short timeline, we both stand in 'Opposition of BM 110'.

Restore livability and sensibility back to Portland, and rid Portland of the BM 110 disaster. Please find your common sense meters and stand up against the mess BM 110 has made, before it is too late to save our beloved city!

Sincerely,
Randy Hauth
