

Lawmakers:

PLEASE change BM 110 and make possession of lethal drugs a crime again, hire more police and give law enforcement the tools/laws to force more people into detox and psych eval; and, for nonviolent offenders mandatory inpatient treatment vs. jail, for violent offenders mandatory treatment IN jail, with urine testing with penalty of additional sentence but reward of reduced sentence if clean and participating in rehab activities and job training. Make true REHABILITATION a possibility, not just giving them a free place to live a life of addiction and torment.
