

I would like to urge lawmakers to fix BM 110 and make possession of lethal drugs a crime again, give law enforcement the tools to steer more people into treatment and make drug treatment and recovery a mandatory vs. voluntary alternative to jail. BM 110 is a failed experiment. It is making Portland's problems worse. Our neighborhoods are so unsafe.

My car was stolen by a drug addict and my husband and I were punched out by a crazy man on drugs on MLK. Nothing was done in either situation.

This is not how life should be in Portland.

Thank you for listening
