

Wildfire Funding Workgroup Facilitation

Joint Emergency Board Interim Subcommittee on Human Services

May 29, 2024

Mission

To protect and promote resilient forests that benefit all Oregonians.

Core business

- Forest Resources
- State Forests
- Fire Protection

Wildfire funding

Oregon needs a fair and durable structure that:

- Adequately funds mitigation and suppression needs and
- Accounts for the social and environmental values that work provides.

HB 5701 (2024) budget note: ODF & OSFM to convene a workgroup to develop recommendations for that system to the Legislature.

Funding need

\$157,500 General Fund for contract with Oregon Consensus to provide process facilitation services to the workgroup.

Includes:

- Facilitation of large group and two working groups
- Work with participants between meetings on coordination, negotiations and document review.
- Creation of recommendations report to Legislature.
