Submitted written testimony to the Joint Committee on Transportation for the 6/4 Roadshow Hearing:

I wholeheartedly support No More Freeways. We do not need any more freeways. We need better management and more taxes from people who insist on driving large vehicles with no purpose other than inflating their ego and hauling too much stuff. Additionally, I do not want to see ANY COMMUNITY marginalised or harmed by added freeways. Why do you NOT GET IT? People who live here, do not want more freeways.

For supply/demand MORE, RELIABLE RAIL needs to be built and short-haul ELECTRIC VANS AND TRUCKS can be used for distribution to warehouses. PUT MORE PEOPLE TO WORK. PAY THEM BETTER. END GOLDEN PARACHUTES AND UNEARNED BONUSES BY THE RICH AND BLOATED.
