RE: Feedback on New Proposed Recommendations
from members Branger-Muñoz, Neron, and Stephens

LPRO
LEGISLATIVE POLICY
AND RESEARCH OFFICE

To the members of the Joint Task Force on Statewide Educator Salary Schedules:

Co-Chair Neron and task force members Ernest Stephens and Cynthia Branger-Muñoz have authored two new proposed recommendations, [now posted to OLIS](#) in the August 28 Meeting Materials. These proposed recommendations relate to equity analyses of any future policies that explore statewide educator salaries; analyses would focus on regional cost of living differences in Oregon.

Please email staff any feedback to these proposed recommendations before noon Monday, August 26. Staff will compile your feedback and post it to OLIS later that day. Then, the three authors of these proposed recommendations may choose to make changes and post subsequent drafts of their proposals in time to potentially vote on them August 28—the last meeting at which the task force may vote to adopt recommendations.

The reason for this approach is to comply with quorum requirements and open meetings rules, after consultation with Legislative Counsel.

Please let staff know if you have questions.

Thank you,
