What started as a small operation has expanded to a team of 7 drivers and a 9-vehicle fleet. Sherman County Community Transit now provides dial-a-ride services for medical appointments for all Sherman County residents, with a special concentration on seniors, veterans and disabled persons.

SCCT provides transit services to residents from Kent to Rufus/Biggs who travel to Bend, Redmond, The Dalles, Portland, Vancouver and other communities. SCCT’s main office is in Moro, the seat of Sherman County.

Grant funds allow SCCT to offer weekly shopping trips on Tuesdays into The Dalles and once monthly to Hood River.
